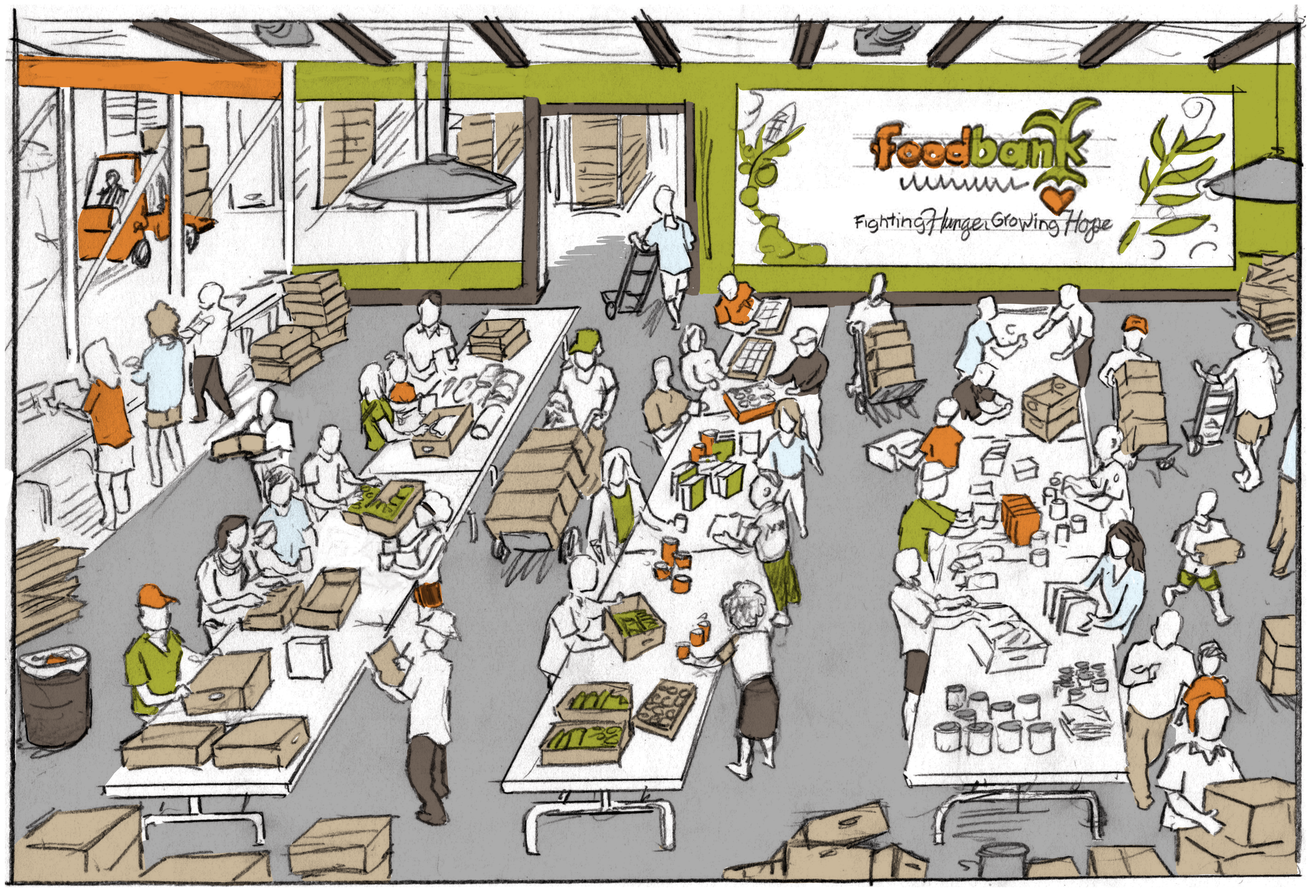
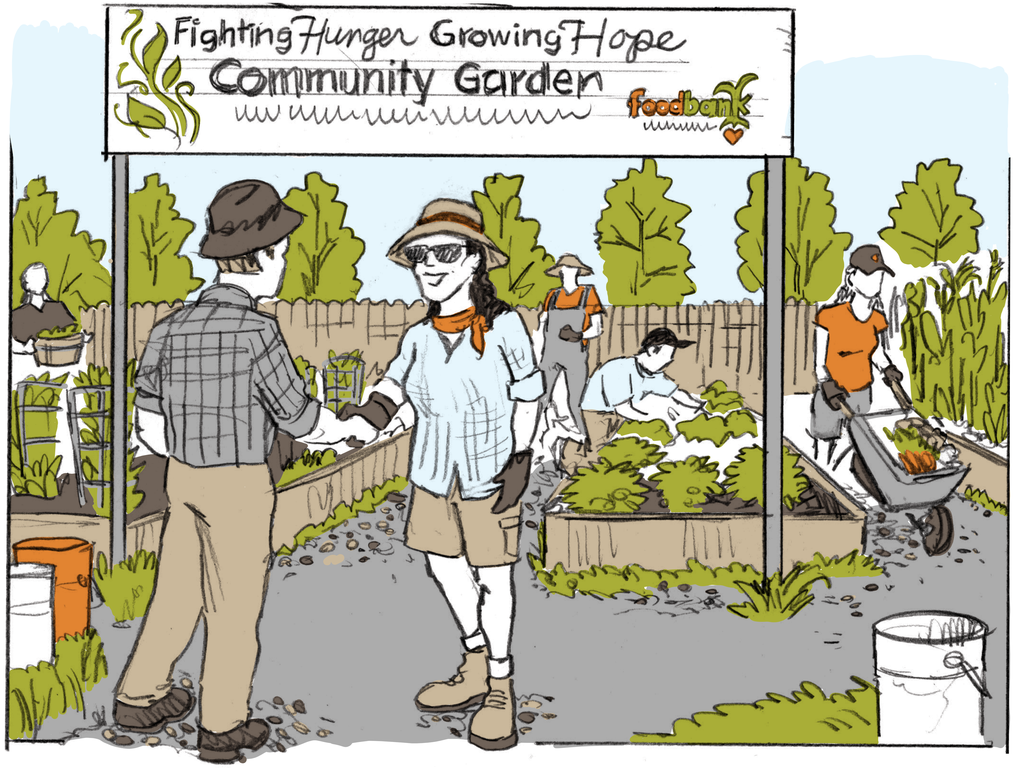
Volunteer Space

- Room for more than 100 volunteers in a single shift
- Five times the volunteer capacity to sort, pack, and distribute even more food to people in need
- Multi-purpose space for special events, conferences, and large-scale community activities





Community Garden

- Four acres of undeveloped property adjacent to the new facility for gardening and growing
- Opportunities for training, education, and community engagement
- Space to grow fresh fruits and vegetables for hunger relief programs and services
